***RE: Petition of the Cape Light Compact Seeking Certification of Amended
Energy Efficiency Plan, DTE 03-39***

Secretary Cottrell:

On behalf of the Dennis-Yarmouth Regional School District, I am writing in strong support of the Cape Light Compact Energy Efficiency Plan, Phase II, 2003-2007, which is currently being reviewed by the Department in DTE 03-39.

Since the Compact's original Energy Efficiency Plan was approved by the Department in 2001, the Dennis-Yarmouth Regional School District has received substantial benefits from its program.

At a time when school systems are experiencing severe financial problems, we're pleased that the Cape Light Compact is working closely with the Dennis-Yarmouth Regional High School Renovation Committee to relamp, with energy efficient lights, two gymnasiums with the goal of greatly reducing electricity consumption and cost.

On behalf of the Dennis-Yarmouth Regional School District, I am urging the Department to conduct an expeditious review of the Phase II Plan and to approve it in its entirety.

Sincerely

A. Francis Finnell
Director of Fiscal Affairs
